Your children may qualify for free or reducedprice meals if your household income falls at or below the limits on this chart.

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced-price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced-price meals and for administration and enforcement of the lunch and breakfast programs. We *MAY* share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

SHARING INFORMATION WITH MEDICAID/SOONERCARE

Dear Parent/Guardian:

If your children get free or reduced-price school meals, they *MAY* also be able to get free or low-cost health insurance through Medicaid or SoonerCare. Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, the law allows us to tell Medicaid and SoonerCare that your children are eligible for free and reduced-price school meals unless you tell us not to. Medicaid and SoonerCare only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Application for Free and Reduced-Price Meals does not automatically enroll your children in health insurance.

If you do not want us to share your information with Medicaid or SoonerCare, fill out the form below and send in. (Sending in this form will not change whether your children get free or reduced-price school meals.)

| No! I DO NOT want information from my Application for Free and Reduced-Price School Meals shared with Medicaid or SoonerCare.

If you checked No, fill out the form below to ensure that your information is NOT shared for the child(ren) listed below:
