5th: Progress Reports

9th and 11th: Parent/Teacher Conferences

Parents: Please remember all transportation changes need to be made with the office before 2:30. That's a busy time of the day and many times children are outside or at specials and its difficult to get a message to them and their teacher.

LOST AND FOUND: The lost and found box is full of items. Please have you or your child stop by and check for items you may be missing. Also, please put your child's name on their belongings.

Yearbooks are on sale. Order forms went home with your child. Extra order forms are available in the office. You may turn in your order to the office or you can order on-line. We will not order extras so be sure to order your yearbook by March 1st.

Greetings,

Many of you have seen the drawings in the front office of our bond project we would like to pass. We are hoping to put a bond issue on the ballot in April and look forward to the overwhelming support we have had for past bonds. This bond will not raise taxes, but keep them where they currently are. The bond will greatly improve Anderson's ability to keep moving forward by providing updated structures, buses and equipment. This bond will allow Anderson to improve even while budgets are being cut across the state. While other districts are trying not to close, Anderson will continue to grow and provide the best education a child can receive. Be looking for more information as the date gets closer. If you have any questions don't hesitate to call. Thank you in advance of your support.

Mr. Banker
