Greetings,

I hope everyone enjoyed their Fall Break. School is moving along fast and there are a lot of things going on and the best way to stay up to date is with our website, www.andersontrojans.org. The website is constantly updating and new features are being added. One new feature is the calendar that has all the details and can be synced with your phone and calendars you are currently using. I strongly encourage you to check it out because it can be a very valuable tool when students forget to bring information home.

On a safety note, I want to ask that everyone that drops off students at the front door in the mornings to be very mindful of students walking across the parking lot to get to the sidewalks. I know everyone is usually in a hurry in the mornings and trying to get to their destination and I don't want an accident that could have been prevented to be the reason you start slowing down and taking extra precautions when you are entering and exiting the parking lot. Thank you so much for your cooperation in this matter.

Have a great weekend.

Mr. Banker
