Greetings,

I hope this letter finds you doing well. Anderson has just recently installed a new cafeteria student scanning program. Once all the kinks are worked out, we anticipate everyone moving through the lunch line more efficiently and being accurately recorded. With our big Thanksgiving lunch quickly approaching, we ask that you be patient with us as we use our new scanning system. We are also moving in the direction of online pay for lunch and breakfast so be looking for information concerning this as well. We are excited about all the new positive changes going on at Anderson.

Have a great weekend.

Mr. Banker
