Santa Claus is coming to ANDERSON SCHOOL. The Santa shop will be open December 12, 13, and 14th. Classes will have assigned times but parents are free to shop with their child anytime.

Each year for Christmas, we do our version of an "angel tree". This year, we have several families in need and many "angels" to help. Please consider helping out whether it be with one of our Anderson families or whether it is one of our Anderson classrooms. Please stop by the office and look at the items on our Christmas tree.
