May 1st is Track & Field day. Pre-K through 1st will have their events on the playground and in the old gym. 2nd through 6th will be out by the softball field. We will need volunteers for both activities.

Greetings:

State testing time is just around the corner. Each child needs plenty of rest and a proper breakfast each day but especially on testing days. It is very hard to focus when you are tired and hungry. We want every child to do their best and giving them the proper start to the day is key to that success.

Also, with warmer weather arriving, please remember to dress your children appropriately. We do not allow spaghetti strap shirts, shorts should be an appropriate length, and no flip flops are allowed.

Thank you for your help and support.

Mr. Banker
