Goodbye Anderson Class of 2016 (#SR22). You are an amazing group of individuals and you will be greatly missed. Good luck in all you set out to do. Anderson will miss you.

Greetings,

I would like to thank everyone for another wonderful year. We have had great successes and look forward to an even greater 2016-17. When we come back next year we will be trying to pass a bond issue for some new additions and upgrades that are much needed. Be looking for information in your mailbox concerning the bond. Please get the word out and help us pass this great addition to our school. Have a great summer and keep reading.
