Greetings,

I want to thank everyone for another great year. It is hard to believe we are wrapping up another one so quickly. I do want to encourage all the parents/grandparents to keep pushing your child to read over the summer. Reading is one of the single most beneficial things they can do for themselves to stay fresh and ready to return next year. Please be on the look-out from the teachers for end of the year activities and schedules. Thanks again for a great year and have a wonderful summer.
