

Anderson School News

May 9, 2017

MAY:

- 9th: 6th Grade Graduation
- 10th: 6th Grade Main Event
- 11th: Last Day of School Talent Show 1:30

Watch for an article in the Sand Springs Leader about our 5th grade "Kite Festival." Our 5th graders took part in the festival sponsored by the Tulsa Regional Stem Alliance. We want to thank the other sponsors: Flight Night, Hideaway Pizza, and the Oklahoma Aeronautics Commission. Our students had lessons, watched videos and received the supplies to build a kite. We then had the opportunity to fly them. It was a fun way of learning and playing.

Track and Field day was so much fun!!! Mrs. Croston would like to thank everyone who came out and help coordinate and run events and for all the parents that came out to support the children.

Aerospace fans are invited to let their imaginations take flight at an event celebrating a collaboration between Oklahoma students, teachers, aerospace clubs and businesses! The FREE event will feature a planetarium show, aerospace demonstrations and engineering activities for all. It will be held at the Jenks Math and Science Bldg and Planetarium, 205 E B Street, Jenks, OK, on Saturday, May 20th from 6:00-9:00 pm.

It is hard to believe it is the last week of school. It has been a great year but it has flown by. Thank you for all your support of Anderson district. The students and community are a big part of what makes Anderson great. I hope you have a great summer and encourage you to keep up with our website and Facebook page frequently for all updates and information concerning the next school year.

Maddyx Hampton won overall AR point winner with 209 points. Way to go!!! Madison Lewis and Hannah Boyd won bicycles in our final drawing. We went shopping at Walmart and picked out some beauties!!

Dates to remember:

July 26: New Student Enrollment

August 2nd: 1st day of school

It is with sadness that we will be saying good-bye to Mrs. Lane at the end of this year. Do to drastic budget cuts by the state we are unable to hire a new teacher for 6th grade. Unfortunately our best solution was to eliminate the art and music program and have Mrs. Lane teach 6th grade. Instead of moving to 6th Mrs. Lane has chosen to go ahead and take early retirement. We want to thank Mrs. Lane for her faithful years of service to the community and students of Anderson. We wish her all the best in this new chapter of life.

Good luck Mrs. Lane.

Brett J. Banker
