August: 20th: Picture Day

We will give out medication on an emergency basis, such as a fever, or child has headache and parent cannot get here. Otherwise, medications must be provided by the parent/guardian.

Menu changes: Aug 19th will be Meatball subs instead of Hot Italian sub.

Aug 26th will be hot ham and cheese instead of southwest turkey melt.

UNLESS IT IS AN EMERGENCY, TRANSPORTATION CHANGES WILL NOT BE PERMITTED AFTER 2:30. TRY TO BE PROMPT AND CONSISTENT WHEN PICKING UP AND DROPPING OFF YOUR CHILDREN.

Greetings,

I want to thank everyone that is working hard to pull through to the end of the parking lot. It has really helped with unloading students quickly and minimizing the traffic jam. I do want to let everyone know that turning around in the baseball field when it is raining or has rained could cause you to get stuck so please be mindful of that. I would also like to let everyone know that I am working with the Osage County Commissioner and the Sheriff's Dept. on a better solution for our afternoon pickup. Lastly, I need to make everyone aware of a new law that was passed over the summer and goes into effect Aug. 21. Starting Aug. 21 House Bill 1685 prohibits the use of all tobacco products in or on an educational facility that offers an early childhood education program or in which grades Kindergarten through 12 are educated. In addition, the use of a tobacco product is prohibited in school vehicles and at any school-sponsored or school-sanctioned event or activity. This includes smoking in your car on school property. Tobacco products are defined as vapors, e-cigs, cigarettes, and all other tobaccos smokeless or otherwise.

Thank you,

Mr. Banker

The music class is gearing up for lots of fun and learning about rhythms this year, and is in need of 20 plastic 10 gallon buckets for bucket drumming. These are usually used commercially and contain anything from chemicals to cake frosting. Just a short inquiry at the grocery store or your work might be well worth it. Please donate a bucket if possible.

Also, the \$3 once a year art fee is due NOW so that Mrs. Lane can plan next semester's art lessons. Last year we were short quite a bit of money and it does affect our projects. Any extra monetary donations are greatly appreciated in place of extra fundraising possibly being needed.

The library is hosting a "create a bookmark" competition. The winner will be chosen by school voting.

Check out the cafeteria menus on-line. It is full of awesome and fresh meals for you and your children.
