Greetings,

I want to start off by welcoming everyone back. We are excited about the new year and are off to a great start. Our first three days back have been wonderful and I want to thank all of you for your patience with the changes that have taken place. Starting Monday we are asking that all students except for PK and Kindergarten be dropped off at the front door. I know it is still hard for parents to drop those little ones off so we are going to allow you to continue to walk them down until Labor Day. After Labor Day all students will be dropped off at the front door where someone will greet them and make sure they get to where they need to go. Remember to always be on time, the first bell rings at 8:22am and the second bell rings at 8:25. All students entering the building after this 8:25am will be tardy. So help us cut down on tardies this year and please be on time. Thank you again for a great start I am confident it is going to be a great year.
