Greetings,

I want to thank everyone for helping us get off to a great start to the school year. I would also like to thank all those helping us in the morning by pulling down to the end of the parking lot to unload. Because of everyone working together we are able to reduce the congestion out in the street considerably. Please keep it up even if weather prevents one of us from being out there to greet the students.

I want to remind all Pre-Kindergarten and Kindergarten parents that all students will need to be dropped off at the front door where someone will walk them down to their class. I know this is difficult for many parents but it is really best and helps keep the number of adults to a minimum in the halls. I promise we will make sure they get to class safely. Lastly, I want to thank all those that are dropping off their children on time and let you know how much I appreciate your respect for the teachers' time and preparation for your child. First bell rings at 8:22am and all children are tardy when the last bell rings at 8:27am. Please have all children at school prior to the first bell.

Kind Regards,
