## September:

**22<sup>nd</sup>: First Day of Autumn**

**30<sup>th</sup>: Monthly AM Assembly**

## Oct:

**14<sup>th</sup>: Report Cards**

**SOS (Shield of Success) Tip: Prepare your child to learn-**Make sure your child gets a good night of sleep and starts the day with a nutritious breakfast. Having a consistent routine that includes a regular bedtime, prepping for the school day (e.g. bags and lunches packed, papers signed by parents), and time to unwind before bed helps your child to be alert and ready to learn all day.

### **Make Every Day Count: Boost School Attendance.**

#### **MAKE A PLAN:**

If your schedule or transportation situation makes getting your child to school a challenge, ask for assistance. Make a carpool or transportation plan with other parents or family members.

Parents/Guardians if you are interested in volunteering to cover classes on Tuesday's during data review team meetings contact Ru Daniels, Tara Smith, or Traci Warwick at extension 120 or 121.

More information about times and dates will be coming home in your student's folder!! All help is much appreciated!

*Unless it is an emergency, transportation changes are not allowed after 2:30.*

Medicine will be administered to your child as needed when it has been provided by you.

All visitors must check into the office and obtain a visitor badge before entering any of Anderson's school buildings.

Anderson's annual ***Jump Rope for Heart*** service project for the American Heart Association started on Monday, September 12. Our main event will be on Thursday September 29<sup>th</sup> during PE/Music classes. (Don't worry...we will be doing lots of jumping activities if your kiddo isn't into jump roping yet)! Thank you for allowing your child to participate in this vital service project to help people of all ages.

Greetings,

I want to thank everyone for the wonderful turnout and support for Grandparents day. You not only made Grandparents' Day a huge success, but you also helped our library raise a lot of money through your participation in our book fair.

I would also like to thank everyone for being so supportive and cooperative with our request to drop students off at the front door. All the students are doing wonderfully when walking down to their class. I would like to thank you all ahead of time for your continued cooperation in this matter as we strive to keep Anderson a safe and secure place for our students.

Reminder: If you pick up kids in 4<sup>th</sup>-6<sup>th</sup> grade car rider line, please continue to pick your children up there even if the older sibling has an activity they stay at school for such as basketball.

Have a wonderful weekend.
