Greetings,

I want to start off by thanking everyone for being so supportive and cooperative with our request to drop students off at the front door. All the students are doing wonderfully when walking down to their class. I would like to thank you all ahead of time for your continued cooperation in this matter as we strive to keep Anderson a safe and secure place for our students.

I would like to also take a moment and let you all know that Anderson has rolled out our ipads for teachers as well as ipad minis for the students. Each class has received 5 minis', 60" LED TV with apple tv and a teacher ipad to use in the class. It is a great time to have a student enrolled at Anderson. Your students have some of the best teachers and staff they could have, as well as some of the latest technology to learn and grow on.

Lastly, I would like to ask a favor for all those that drop off their students in the morning. If you would, please pull to the end of the parking lot to let your child out. Once stopped your child will need to exit the car quickly and walk over to the sidewalk. We believe this will help cut down on some of the congestion and frustration in the street before school.

Thank you all for being so cooperative and supportive in all things.

Mr. Banker
