Superintendent's Announcement

I would like to thank you all for a wonderful year. I hope you all have a great summer and remember to READ. You may take a few days off but please do not take the whole summer off from reading. Reading is vital to everything you will do in life so please READ. A wonderful saying I like is "one who can read but don't should be pitied more than those who can't read." Remember to check out our website and facebook page often because we will be posting class lists, supply lists and other important information as we get them completed. **HAVE A GREAT SUMMER!!!!**
