22nd Talent Show 9am

PVO News

Teacher Appreciation Week is May 13-17. We will need lots of volunteers! Let's make this a memorable week for our wonderful teachers and staff. A sign-up sheet is posted on the PVO bulletin board outside the office. You can contact Dana Dawson @ danadawson07@gmail.com or (918)637-0804 if you have questions or would like to volunteer.

From The Desk of Mr. Banker:

I hope everyone is doing well. The end is quickly approaching and a lot is going on so please be looking for information on changes coming from your student's teacher or on the website.

State testing will be finished this week. I appreciate all of those who helped make sure our students did the best they could on the test.

As the weather warms the desire to dress in summer attire is great. Please make sure all students adhere to the student handbook for appropriate short length, shoes and tops. A student inappropriately dressed will be sent home to change.

The last day for checking out books is May 13th. If you have any overdue books please make sure those get turned in before the end of school.

Sixth grade graduation will be Thursday at 7pm. Even if you do not have a student that is graduating your support would be appreciated. If you do have a student please double check with their teacher to make sure they have all they need to participate.

It has been a whirlwind first year as superintendent. It has been my joy and pleasure serving the community in this capacity. We have a wonderful school and community and I appreciate all the support and patience you have shown through this year of changes. I wish you all the best this summer and encourage you to motivate your child to continue reading throughout the break.
