From Mr. McKee

Parents and Anderson Family,

The year is winding down! This has been an excellent year! We have many accomplishments and accolades for which we are proud! Our AmeriCorps volunteers organized the obtaining and planting of trees to replenish the ones removed due to the construction. This project will not only make our campus more beautiful but will help the environment, too. Thank you AmeriCorp volunteers Tammy Jines and Barbara Higgins for a job well done. We are looking for additional AmeriCorp volunteers for next year. Please contact me if you are interested and I will explain the program to you.

Graduation is next week! Is that possible? We will truly miss this graduating class. They are a strong group of leaders and I look forward to watching them mature into young men and women. I hope to see many of you at the graduation ceremony on May 13, 2010 at 7:00 p.m. in the new gym.

This has been Teacher Appreciation Week and I would like to thank all of the PVO volunteers for pampering our teachers and staff. I would like to also thank all of the parents that have honored our staff members by bring gifts or offering words of encouragement. Our school is great because teachers, staff members, students and parents all work together as one unit. I AM PROUD TO BE A TROJAN!

Trojan Pride

Mr. McKee
