Extended Child Care Program

In order to help meet the needs of busy families, Anderson Public School offers a Before and Aftercare program. The Before Care program has a drop off time of 7:00am and the Aftercare program begins when the school day ends with a pick up time for parents/guardians of no later than 5:30pm.

This convenient program offers a safe environment for children in Pre-K through grade 8. Snacks are provided after school. Daily activities will be planned outdoors (as weather permits), in a pre-determined classroom or in the old gym.

Anderson's offering of this program is not guaranteed. Anderson will decide yearly if it will or will not offer this program based on community demand/needs and staffing availability.

Offerings:

Anderson offers three different types of Extended Care.

1. Full-time enrollment is for students attending 4-5 days per week.
2. Part-time enrollment is for students attending 2-3 days per week.
3. Once a Week enrollment is for students attending 1 day per week.
4. Scheduled Day Enrollment is available to students attending Extended Care 1 day per month or up to a maximum of 10 days per school year. This service is paid in full and in advance of services being rendered. This option is fully refundable should no services be utilized during the school year.

In order to ensure that the program is properly staffed each day, drop-in Extended Care is not available. All students must be enrolled in one of the offered Extended Care enrollment plans prior to attending.
